**NOTICE OF APPEAL (NOA) WITH PETITION FOR TIME EXTENSION**

Sir:

Applicant appeals to the Board of Appeals from the decision set forth in the Final Rejection dated 29 May 2008 to maintain this application pending in case the examiner has issued an Advisory Action (i.e., did not allow this application). As of the sixth-month deadline, the PAIR does not show any Action being issued, although the examiner telephonically informed the undersigned that an Action was submitted for approval. The fee associated with the Notice of Appeal is addressed in the EFS-Web generated transmittal.

If the examiner allowed this application or issued a new Office Action (other than an Advisory Action), applicant urges the USPTO to set aside this Notice of Appeal and not charge the required fees, including for the extension of time. The Commissioner is authorized to charge any fees required to maintain pendency of this application to Deposit Account No. 18-2056.

Respectfully submitted,
